Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
ALEXANDRIA, VA 22313-1450

Dear Sir:

Applicants submit herewith Form PTO-1449, "Information Disclosure Statement," and a copy of each reference listed therein.

Applicants are submitting this art because Applicants recognize their duty to disclose pursuant to 37 C.F.R. §1.56. However, submission of this art and Statement is not an admission any item identified contains matter anticipating the invention or rendering the invention obvious to a person of ordinary skill in the art. Further, Applicants believe none of the art submitted herewith, alone or in proper combination, discloses, teaches or suggests the invention claimed by Applicants.

The citation of a reference is also without admission the reference is sufficient to teach one of ordinary skill in the art how to make or use the subject matter thereof or the reference is, or is considered to be, material to the patentability as defined in 37 C.F.R. §1.56(b).

Moreover, submission of these references is without admission any of the references constitutes statutory prior art or has an effective date prior to Applicants' effective date of invention.

Applicants specifically reserve all rights of privilege and confidence with respect to this matter. A submission of this document is not to be construed as a waiver of those rights. In

180.00 OP

addition, the filing of this Statement is not to be construed as a representation a search had been made by Applicants or counsel.

Check No. 23023 in the amount of \$180.00 is enclosed because this Statement is being filed after receipt of the first Office Action (restriction requirement). Please charge any additional fees associated with this Communication or credit any overpayment to our Deposit Account No. 23-0280. A duplicate copy of this paper is enclosed for that purpose.

Respectfully submitted,

Dated: January 18, 2005
